The other 5 pistol bays now have cover, metal carports at the firing line.

Wear your MTSA membership card while at the range.

The gate system is working at the entrance to the range. The new code for the key pad is 0007.

We are taking new members now. Have interested shooters contact Rick by phone or Ron by email to get signed up.

WiFi is available at the rifle range. To join MTSA wifi go to settings and join the wifi (password is "benchrest").
